

*Be a part of the
Miracle!*

What began in 1988 as a local fundraiser in a single state has grown to include over half of the United States and hundreds of civic minded individuals whose purpose is to insure **medical care for all children**. This effort, known as Log A Load for Kids, raises money on behalf of the Children's Miracle Network (CMN).

Hospitals associated with CMN treat children with all types of afflictions—cancer, heart and muscular diseases, birth defects, cerebral palsy, AIDS, and accident victims. They pride themselves on treating the whole child, **rendering service based on need, not the ability to pay.**

Trees may be our most important renewable resource, but kids are our most precious resource. Through your support, the Children's Miracle Network is literally working miracles for **kids** through the largest annual television broadcast in existence today. 100% of your contribution benefits the hospital you designate.

I wish to support the following hospital for children:
